

Release Form for Audio, Digital, Film and Video Productions, or Web Page Development (Student)

Central Rivers AEA

Description

This is release form allowing Central Rivers AEA permission to develop and use media (audio recordings, still or motion pictures, video recordings, and/or digital recordings) of the student referenced below.

The use of the media production may be a part of or associated with public presentations, programs, publications, Internet publications, Web sites, or other activities not specifically mentioned here.

Understanding

I understand that the Central Rivers AEA and the agency staff producer listed below may obtain and use the planned media production (1) in whole or in part, (2) in composite form, (3) in copyrighted material, and/or (4) with a real or fictitious name for any lawful purpose associated with education.

It is not necessary for me to review any finished products and I will not hold Central Rivers AEA or the agency staff producer as liable for any distortion, illusion, or alteration whether intentional or otherwise.

There are no restrictions to the full rights allowed Central Rivers AEA.

The intent of this release is understood by me. My permission is given freely in consideration of the general educational value it may represent.
